EXPERIENCE

GATEWAY SPECIALTY INSURANCE

Wayne, PA

Marketing Intern (10/2025 to Current), Customer Service Intern (05/2025 to 10/2025) 05/2025 to Current

- Research emerging platforms and channels and present proposals to leadership, including HubSpot AEO, which Gateway adopted to track brand visibility in AI search and which informed our LinkedIn strategy and led to the launch of Gateway's Instagram.
- Own LinkedIn content strategy from planning through approval, using A/B testing and analytics to grow followers by 31% and documenting a process for the team to reference.
- Create and edit video, LinkedIn webinar clips, and Canva and Copilot graphics for LinkedIn and Instagram, including a redesigned LinkedIn banner and round logo.
- Optimize Google and Bing Ads across 250+ campaigns to lower cost per click and cut wasted spend, and compile the weekly marketing report for the marketing manager, sales director, VP, and president.
- Built a single-page HTML quote tool with GitHub and Claude, now used directly with clients.
- Began in customer service, preparing quotes for agents in AIM, an insurance policy management system, and coordinating with internal teams on submission details and quote status before moving into marketing.

USLI

Wayne, PA

Content & Communications Committee Member

08/2025 to Current

- Create and edit social content that showcases USLI's student programs, culture, and career development.
- Support brand strategy by shadowing marketing teams, gaining hands-on experience in content production and social campaign execution.
